SUNDAY 21 JUNE

Free day to discover the architectural beauties and sights of Turin. Those who wish so can organize an independent visit to:

▲ **THE EGYPTIAN MUSEUM**, considered, for its valuable and vast collection, the most important in the world, after that of Cairo – Egypt.

▲ **THE CINEMA MUSEUM**, divided in two sections and located in the famous “Mole Antonelliana” (symbol monument of Turin). Take the elevator to the top to enjoy the view of the whole city surrounded by the beautiful mountain range of the Alps.

▲ For those who have the opportunity to prolong their stay until Wednesday 24 June 2020, we recommend taking part to the feast of the Patron Saint, St. Giovanni Battista, (John the Baptist) an event with shows, and delicious food and wine experience.
